However, we may accept membership from local people who are not members elsewhere and who want to play in competition for Mirfield.						
We are now playing on the 1st and 3rd Friday of every month starting at 13:00 Hrs. We will be also playing on the 2nd and 4th Friday of the months of May to September starting at 18:00 Hrs.						
Where there are costs involved, these are to cover the cost of food or entry fees where monetary prizes are given to the winning places. We are not intending to make profits out of events.
